FLIP! DESIGN CHALLENGE

Fred Morrison started with a simple idea. He tested and tinkered and flopped and failed. But Fred stuck with it and eventually his idea took flight--as the Frisbee!
What is your idea? What toy or object would you like to invent? Sketch it below.

BRAINSTORM

How does your creation work?
What does it look like?
Does it solve a problem or is it just for fun?
What is it called?
